Film & High Tea Luncheon

What is a film luncheon?

A Film Luncheon consists of groups between 30 and 66 people to come to the cinema and enjoy a latest release movie commencing at 10:00am, followed by a delicious 'High Tea' themed lunch in the private setting of our Marble Room.

Choosing the right movie

We will provide you with a list of recommended upcoming releases and advise you on which film may be the best suited for your group. You are able to choose any film currently screening at the time of your luncheon.

What is included?

A movie screening of your choice, followed by a delicious high tea styled luncheon in our Marble Room; including a selection of hot savouries, freshly made point sandwiches, scones, jam & cream, all freshly made on-site. Plus an endless supply of our famous 'slow brewed' milk coffee or tea if you prefer. We also cater for special dietary needs.

How much does all this cost?

The cost of a Film Luncheon is \$22.00 per person. We do have a minimum requirement of 30 people for a booking, and a maximum of 66. At every luncheon we provide 4 complimentary vouchers valued at \$76.00 as a door prize. Payment is required 24 hours prior to your event.
